Sir,

Ref:- Para 15 of the Audit Report on the General Fund Accounts of the South Kanara District Board for the year 1938-39.

The following forms were got printed locally by the District Health officer South Kanara after obtaining sanction. The Examiner of Local Fund Accounts,Madras, has raised objection for their local printing in the Audit report of this District Board for 1938-39, on ground that the same forms or similar ones serving the purpose have been standardized and are available at the Government Press. But the vaccinations which were got printed locally vary from the ones available at the Government Press, as could

More or less similar forms are stocked for sale in this office (Vide specimens enclosed for reference and return). All local bodies have to get their supplies of stock forms from this office irrespective of the cost (Vide G.O. No.4030, L.A., dated 17-10-1939). It appears that the forms were printed locally by the President, District Board, South Kanara before the issue of the above Government Order. Sanction may therefore be accorded for local printing as a special case.
